TOHUÍ
LANGUAGE ACADEMY

Parent Commitment

At Tohuí parents are committed to:

1. Support the school's vision and mission.

2. Believe in and support bilingualism at home by showing interest, joy, and respect for students' achievement in the second and third language.

3. Establish healthy routines to support students' success in school such as appropriate bed time, nutrition, reading, and hygiene.

4. Support Tohuí's attendance policy by ensuring that the student attends school on a regular basis and arrives at school on time.

5. Make sure that the student's homework is completed and return to school on time.

6. Support Tohuí's behavioral expectations by promoting good manners and encourage positive behavior.

7. Understand that a meeting to discuss code of conduct violations, absences or tardies will be set up with administration. The meeting could result in a decision to remove the child from the program.

8. Understand that language is a process that takes time. (Collier & Thomas, 2010) Acording to research, long-term participation of 5-7 years is required for the benefits of the program to be fully realized.

9. Stay informed about the student's education and be fully engaged in the learning process.

10. Share academic and behavior responsibilities with the student, teachers, and administration.
